

# ABOUT US

We are a trusted wholesale hub based in South Sudan. We are bringing you a range of food products to meet the food shortages in the country.

We offer a variety of types and brands to meet the diverse needs of our customers. Our vision is to make a positive contribution to the community to meet the growing food shortages in South Sudan by offering quality wholesale food items at competitive prices.

# QUALITY

Our products are sourced from reputable suppliers and undergoes strict quality control to ensure that it meets the highest standards. Goods are tested by SGS, a world leading testing, inspection, and certification company whose purpose is to ensure that the goods being shipped meet certain international quality, safety and regulatory standards before they are shipped.

All products will have the following documents:

- Certificate of incorporation
- COC certificate / Conformity certificate (inspection certificate - SGS)
